- 2) Find the list of databases at the top of the screen and click on the name of the database you want.
- 3) Follow the *red database link*.
- 4) Enter your 14-digit library card number and last name. (See screen below).

A screenshot of the BHCC library remote access login page. The page has a light blue background. On the left is the BHCC LIBRARY logo. The main heading is "Welcome to BHCC library remote access login page". Below the heading, there is a horizontal line and the instruction "Enter your 14 digit BHCC library card number from the back of your BHCC Student ID." There are two input fields: one for the 14-digit library card number and one for the last name. A "Submit" button is located at the bottom right of the form area.
