Mapped, edited, and published by the Geological Survey

Control by USC&GS and Massachusetts Geodetic Survey

Culture and drainage in part compiled from aerial photographs taken 1938. Topography by planetable surveys 1940–1941
Culture revised by photogrammetric methods from aerial photographs taken 1957. Field check 1958

Polyconic projection. 1927 North American datum
10,000-foot grid based on Massachusetts coordinate system, mainland zone
1000-meter Universal Transverse Mercator grid ticks, zone 19, shown in blue

Red tint indicates areas in which only landmark buildings are shown

SCALE 1:24 000
