LATIN.—Edward Trowbridge Carrington, Carl Francis Edwards.

MATHEMATICS.—
Clarence Clapp Brown
Edward Trowbridge Carrington,
William Howard Fulton,
David Perham,
Kenneth Seaver.

PHYSICS.—Henry Archibald North.
CLASS SONG

BY KENNETH BRUCE

TUNE.—"PAX DEL."

Once more rings out the old familiar bell;
   Again we gather,—but to say farewell;
A fond good-bye to classmates tried and true,
   Through trembling lips and eyelids wet with dew.

The years are past and all their conflicts o'er
   With victories won and cherished evermore;
O mother dear! we linger in thy gates
   While golden promise on the future waits.

Ambition calls us to a wider field,
   With truth and honor stamped upon our shield;
And, going forth, upon our flag we fix
   Old Phillips's pride, the class of Ninety-Six.

Prayer and Benediction

MUSIC BY THE BOSTON CADET BAND,

J. THOMAS BALDWIN, LEADER.
