MANCHESTER.

1 Schooner,	84.95	84.95
-------------	-------	-------

Ten new vessels, all schooners, of 619.02 tons, have been added to the District since our previous List; and five vessels, comprising three schooners and two boats, of 164.43 tons, have been brought into the District from other places. Eighteen schooners and four boats, of 931.14 tons, have been lost or destroyed at sea; twenty-seven schooners, one boat, and one steamer, 1292.10 tons, have been sold out of

the district; and one schooner and two boats have been broken up or rendered useless. There have been nine changes among the different sections of the district, making the total number of changes in this List from last year's, seventy-eight.

All the new vessels added to the List have come into Gloucester Harbor, but the number is small compared with previous years, and the losses and sales so many that there is a net loss of thirty-four vessels and 1439 45 tons.

Annisquam makes a net addition of two schooners and 139.07 tonnage.

Rockport shows a net loss of three schooners and three boats, and 112.44 tons.

Essex still retains its one schooner, while Manchester having lost one half of its fleet has but one vessel remaining.

ADDITIONS TO THE LIST.

The following are the new vessels, ten in number, 619.02 tons, that have been added to the list:—
