Barcode scanner settings for scanning ISBNs

The following options should be set in order to scan 13 digit ISBNs with your barcode scanner. The following instructions are specific to the **Metrologic MS951**.

- **Enter Program Mode**

- **Enable EAN**

- **Disable UPC**

- **Disable Bookland to ISBN**

- **Enable Transmit ISBN CD**

- **Disable ISBN Reformatting**

- **Exit Program Mode**

For more options, see the Metrologic MS951 scanner Programming Guide.
