Barcode scanner settings for scanning ISBNs

The following options should be set in order to scan 13 digit ISBNs with your barcode scanner. The following instructions are specific to the **Metrologic MS9520/9540** scanners.

Enter/Exit Configuration Mode

Disable UPC

Disable Bookland to ISBN

Enable Transmit ISBN CD

Disable ISBN Reformatting

Enter/Exit Configuration Mode

For more options, see the Metrologic MS9520 scanner Programming Guide.
